Re: Dr. Frankel Cancer Center Project for Scott & White Hospital

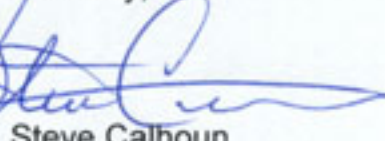

Dear Mr. McGowan,

I would like to acknowledge your diligent effort on the Dr Frankel Cancer Center Project for Scott & White Hospital.

With an impossible schedule and constantly changing scope of work, your team proved to be a valuable asset in achieving or deadlines. The knowledgeable craftsman that manned this project was of great benefit in resolving the day to day problems that presented themselves. It is a refreshing change to work with an organization that stands by their commitments and performs to the expectations of McCaslin-Hill Construction, Inc.

Again, thank you for your professionalism and hard work. We look forward to working with you on future projects.

Cordially,

Steve Calhoun
Vice President
